2022 Confidentiality & HIPPA For PT/OT/SLP Clients

From the WCR's Employee Handbook regarding confidentiality:

WCR's policy is to ensure that the operations, activities, and business affairs of WCR and its clients are kept confidential to the greatest possible extent. WCR recognizes the right of riders and their families for privacy and control over any information about them that might be personal or sensitive. In order to respect that right, WCR has adopted this policy regarding confidentiality. If during their association with WCR, individuals acquire confidential or proprietary information about WCR and its clients; such information is to be handled in strict confidence and not to be discussed with persons not connected with WCR activities.

Those bound by the directives of this policy are all persons in any way connected with WCR, including but not limited to: full and part time staff, volunteers, board members, temporary employees, independent contractors, and instructor workshop/training/certification participants. Any individuals violating this policy will be subject to disciplinary action including reprimand, alteration of job responsibilities, and termination of employment or volunteer responsibilities.

Information considered to be confidential includes all medical, social, referral, personal, and financial concerns regarding a rider and his or her family. Such information is considered confidential regardless of how it is obtained, whether directly from the rider or family or inadvertently from a chart, computer screen, or overheard conversation.

Consent to disclose information to outside individuals or agencies, including photograph and videotapes, should be obtained in writing from the proper legal representative. For most children under the age of 18, this would be the parent or legal guardian. Adults over 18 with developmental disabilities are presumed to be competent to give consent unless they have specifically been found incompetent in a court of law. In such a case, a substitute decision maker is assigned, and consent must be obtained from that person.

CONFIDENTIALITY

In day to day center operations WCR will do the following to safeguard participant confidentiality:

1. Ensure that all fellow employees, volunteers, and visitors read and sign the confidentiality policy.
2. Conduct conversations about participant's progress, medical changes, goals, or anything else that might be considered private, in a confidential and private place.
3. Posted information will not include the participant's last name unless express permission has been obtained.
4. The drawers containing participant files will be locked as part of the daily closing procedures.
5. Instructors will share with volunteers only what they need to know to be safe and effective in their role as horse leader or side walker.

HIPPA

In addition to the above, all participants who are seen at WCR by a therapist (e.g. hippotherapy) must also, by law, sign a WCR HIPPA form (outside agencies sometimes also require their own form to be signed), the text of which follows below.

AUTHORIZATION FOR RELEASE OF MEDICAL INFORMATION PURSUANT TO HIPAA (Health Insurance Portability and Accountability Act of 1996)

I give permission for the staff and therapists of the We Can Ride Inc. to contact appropriate physicians and health care providers as necessary and related to my treatment at WCR. I give permission for WCR staff and therapists to share information with one another as appropriate and related to treatment. I authorize WCR staff and therapists to perform treatments necessary and to make referrals as needed. I understand that the medical information released by this authorization may include information concerning treatment of physical and mental illness, alcohol/drug abuse and past medical history.

I agree that these provisions will remain in effect until I provide written revocation to WCR. I understand that I may revoke this authorization in writing at any time except to the extent that action has been taken based on this authorization. I understand that revocation will not apply to information that has already been released as specified by this authorization.

I understand that treatment, payment, enrollment or eligibility of benefits may not be conditioned upon my execution of this authorization. I understand that authorization for the disclosure of this health information is voluntary and I can refuse to sign this authorization. I understand that any disclosure of information carries with it the potential for an unauthorized re-disclosure and the information may not be protected by federal confidentiality rules.

The full **Session Fee** **must be paid three weeks prior to the start of the Session.** Please contact the Finance Manager at finances@wecanride.org prior to the payment due date if you need to make arrangements due to financial hardship. **All credits will expire at the end of the current calendar year. Unless otherwise instructed, credits will be used to support We Can Ride's program operation.**

If the client is scheduled for more than one session, payment is due only for the immediately upcoming session; payment for the next enrolled session will be due three weeks prior to that session's start date.

We Can Ride does not administer third party billing. You will be invoiced directly. **You are responsible for all charges due on your account, even if you are seeking insurance coverage or waiver services.**

If the session fee is not paid in full by the payment due date, or arrangements have not been made with the Finance Manager by that date, the client will be removed from class for that session and their spot given to another client.

By signing the registration form, you are agreeing that you have read and understand the payment policy and will pay all fees applied to your account

2022 Physical, Occupational and Speech Specialty Therapy Policy

In order to maximize therapy progress, it is critical that you attend all therapy appointments. Missing therapy appointments not only impairs progression, it also disrupts schedules, limits services available to others and may affect your ability to receive agency coverage. It is important that therapy appointments are maximized due to costs.

Please note the following policy:

1. Physical, Occupational & Speech charges will be billed by 15 minute increments. Billing time includes consultation time, as well as time on/with the horse.
 2. A variable facility fee will be charged in conjunction with the PT/OT/SP charges to equal the total fee (listed on payment policy) for an hour session.
 - a. If you are scheduled for a shorter session, that will be reflected in both charges.
 - b. Example of charges: If the client rides for 30 minutes, you will be charged a PT/OT/SP fee for the 30 minutes, the remaining 30 minutes will be charged as the variable facility fee (at the same cost as the PT/OT/SP charges).
 2. If proper notice is given, clients are allowed one, uncharged absence per session. All other absences will reflect a 100% facility fee charge. For the one allowed absence - \$58.25 fee will be charged for the absence where proper notice is **not** given.
 3. If no classes were cancelled for weather or staff absences, a make-up may be offered at the end of the session and will go towards offsetting the allowed absence. Clients are encouraged to attend.
4. We Can Ride must be notified **at least 24 hours in advance for planned absences** 952-934-0057. For all other absences, please let us know as soon as you are aware of a conflict. Last minute cancellation number is 612-268-2735.
3. Unless prior arrangements have been made, all clients paying out of pocket and at the time of service will be required to have a credit card on file. Credit cards will be charged for therapy proceeding each week.
5. If a cancellation for the remainder of a session is made, without medical necessity, a 100% facility fee will be charged for each remaining appointment.
7. 2 cancellations/no shows per session OR 5 cancellations per year could result in the loss of your therapy sessions and scholarship for the remainder of the year. If it is necessary for WCR to cancel the remainder of your session due to absences, clients will be charged a 100% facility fee for the remainder of the session.
8. Clients submitting to third party payers should assume that the agencies will not pay these charges so families should be prepared to pay out of pocket.
9. **Cancellation fees are due upon receipt of bill; unpaid fees will result in forfeiture of future classes.**
